

Molalla River Fly Fishing Camp

Beginning fly fishers ages 9-16, learn all you need to know to fly fish on your own. Intermediate anglers work with instructors to improve your skills and knowledge. Explore stream ecology, conservation and native fish. Camp in a secluded location in the Upper Molalla River.

Learn:

- Equipment • Casting • Knots
- Aquatic insects • Fly tying • Selection
- Fishing ecology • Reading rivers
- Leave-No Trace fishing and camping ethics

WHEN: July 27-29, 2010

WHERE: Molalla River Recreation Corridor

Tuition: \$275 (includes all food and drinks, camping, and instruction). All gear and equipment is provided. Use your fly gear or ours.

INSTRUCTORS: Jeff Gottfried, Lead Instructor, ERA and NFS member, 35 years of fly-fishing. Accompanied by expert anglers and river stewards from Native Fish Society and Molalla RiverWatch.

INFO/REGISTRATION: 503-750-2416.

Space is limited. Call today.
